All returned items must be in original, resalable condition (unused, unopened, complete with original packaging and/or inserts if applicable).

Please make sure all returned items are well packaged, so as not to be damaged during transit. The packaging is part of the product; any damage may result in the return being refused, and the goods being returned to the sender.

If returning an item from outside the UK, please clearly mark the package '**RETURNED GOODS**', and ensure that the '**Return Goods**' option is ticked on the customs declaration form, to prevent any import charges and taxes from being applied.

Deascal is **NOT** responsible for any return custom charges made.
